FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Dear Ms. Dortch:

RE: MB Docket No. 02-277 (Biennial Review of Broadcast Ownership Rules)

MM Docket No. 01-235 (Broadcast/Newspaper Crossownership)

MM Docket No. 01-317 (Local Radio Ownership)

MM Docket No. 00-240 (Definition of Radio Markets)

Pursuant to 47 CFR 1.1206, this will disclose that in connection with these permit-but-disclose proceedings, on behalf of the Diversity and Competition Supporters, MMTC held a meeting March 4, 2003 at 4:30 PM with Commissioner Martin and his Legal Advisor, Catherine C. Bohigian. MMTC was represented by Eduardo Peña, Esq., communications counsel for the League of United Latin American Citizens, and myself.

At the meeting, we promised copies of our Initial Comments, Supplemental Comments, Reply Comments, and the Statement of National Urban League President Hugh Price, all of which are in the record.

We described how our "Staged Implementation Plan" (described in our Comments and Reply Comments) might operate in practice as a means of ensuring that if deregulation causes harm to competition, diversity, minority ownership or localism, the Commission could apply the brakes until it cures the problem.

We also explained our proposal for Diversity Credits as a market mechanism to incentivize diversity. If the plan were designed well, most "command and control" regulation would be unnecessary.
